

JEMCS **SUBMISSION INFORMATION**

The editors invite essay submissions in all areas of cultural studies from the late-fifteenth through the early-nineteenth centuries. Manuscripts should not be under consideration elsewhere, and they should not identify the author except on an accompanying sheet that includes the title of the submission, the name of the author, and the author's regular-mail and e-mail addresses.

All manuscripts must include a 100-200 word abstract. JEMCS adheres to MLA format, and authors should follow MLA guidelines and formatting as stated in the most recent edition of the MLA Handbook for Writers of Research Papers. Please send a digital copy of the essay, the abstract, and the author information to jemcsucsd@gmail.com in either .doc or .rtf format. Alternatively, we can still accept manuscripts in hard copy by mail, to the address below. If authors wish their work to be returned, it must be accompanied by a stamped, self-addressed envelope with correct postage. Manuscripts will be acknowledged by e-mail when they are received. All submissions will be evaluated anonymously by no fewer than one and no more than three readers. JEMCS seeks to reach a decision on submissions within approximately 90 days of receipt.
